**EUROPEAN ADVENTURE DRIVE**  
September 17th – September 25, 2018

**Monday, September 17:**  
Depart Indianapolis for flight to Stuttgart

**Tuesday, September 18:** Upon arrival in Stuttgart, you will be transported to the center of town for a tour of the Porsche museum with time for lunch. The Porsche Museum is in the Zuffenhausen district of Stuttgart, Germany, next to the Porsche factory. After lunch we will visit the Porsche factory and see just how these sports cars are manufactured. After our tour, we will check in to the Steigenberger Graf Zeppelin, a five-star hotel in downtown Stuttgart. We will gather for a welcome cocktail in the lobby bar. Dinner is on your own.

**Wednesday, September 19:** Enjoy breakfast at the hotel and then you will be transported to the Porsche Museum to pick up your pre-reserved vehicle for the next six days. Maybe you prefer the Porsche 911 or perhaps the Boxster? You will be able to reserve your vehicle directly with the Porsche Museum. (Rates vary based on the type of car reserved -- and discounts are available for Porsche Club members). Car rental fees are not included in this package. Over the next six days, you will be on your own as you explore the winding European byways of Germany, Switzerland and Italy. Each day, you will be given the coordinates for that evening's hotel. After breakfast, you will depart and enjoy the stunning countryside as you drive to the next location, stopping along the way at your leisure. Reminder, you are responsible for your car, and speeding tickets in Europe are very expensive.

This afternoon, you may want to stop at the Zeppelin Museum in Friedrichshafen. The museum's exhibition offers historic photos, objects, artworks, a movie theatre with a Zeppelin documentary, and -- most importantly -- a partial life-size replica of the *Hindenburg*. Or you could choose to visit the world famous Neuschwanstein Castle used by Walt Disney as the model for Cinderella's castles at Disney properties. Tonight you will check into the Steigenberger Hotel located on the banks of beautiful Lake Constance.

**Thursday, September 20:** Enjoy breakfast at the hotel. Today you can search for quaint villages and beautiful mountain scenery on your drive into Switzerland and on to Lake Lugano in Northern Italy. Stop at a local Swiss Chalet village and take in the pristine lakes and lush meadows. You will enjoy this stunning day of driving. This evening you can enjoy a relaxing evening overlooking Lake Lugano after you check into the Principe Leopoldo Hotel. ([www.leopoldohotel.com/en](http://www.leopoldohotel.com/en)) Explore the grounds and hotel since you will be staying here for three nights. You might even want to make an optional reservation at the spa for one of your days at the hotel.

**Friday, September 21 and Saturday, September 22** Explore the town of Lugano or explore the countryside around the legendary Lake region in Italy. (If it is good enough for George Clooney, you will probably find it a piece of paradise on earth.) Enjoy the restaurants, shopping and touring throughout this region of Europe.

On Friday, we will offer an **optional trip** to the Lamborghini factory in Maranello, Italy. We will travel south by bus to this Italian city. We will have a guided tour of the production lines: an experience in the midst of skillful craftsmanship and advanced technology. Only by seeing this is it possible to understand why these magical Italian sports cars are desired and loved across the whole world. Lunch will be on your own before you join a factory tour of the main plant.

In the evening, we return to the stunning Relais and Chateaux Hotel Principe Leopoldo.

**Sunday, September 23** Today we drive north through the spectacular Black Forest with our destination the city of Baden-Baden. Perhaps on your adventure you may want to stop for a visit at the Black Forest Open Air Museum. This evening, we check into Hotel Belle-Epoque.

[www.hotel-belle-epoque.de/en/](http://www.hotel-belle-epoque.de/en/)

The 19th century was when Baden-Baden, the town of the healing springs, experienced monarchs and kings relaxing there. Poets, painters and composers described the town in their work. Those who were able to visit Baden-Baden were distinguished, and those who were able to afford living there were even more fortunate.

In 1870 Duke Ferdinand von Lotzbeck, an entrepreneur and president of the Baden Chamber in Lahr, decided to build a mansion in Baden-Baden. It grew into a grand villa for the Lotzbeck family, who belonged to the finest society of Paris.

The estate is situated in the middle of the spa town Baden-Baden in one of the best residential districts. Within a few footsteps, one can reach the "Leopoldsplatz", the center and heart of the city, as well as the "Lichtentaler Allee," where monarchs, kings, princes and princesses would stroll. In those days, Baden-Baden was the summer capital of Europe for all the famous of the world — for connoisseurs, it still is today.

**Monday, September 24** After breakfast at the hotel, we begin our drive back to Stuttgart to return our cars at the Porsche Museum. A gourmet dinner at the Christophorus Restaurant located inside the Porsche Museum is planned. This closing trip dinner event will give us a chance to review the past six days and share stories of our driving adventures. After dinner, we will return to the Steigenberger Hotel for our last night

**Tuesday, September 25** This morning, we will enjoy breakfast at the hotel and then transfer to the Stuttgart Airport for our journey home.
